Leader PERFECT POSTURE KEYBOARD ARM

Healthy Computing Has Never Been Easier!

BUILT-IN PAGE HOLDER
Holds up to 10 sheets of paper.
Keeps documents in-line between the user and the monitor.
Reduces neck strain and enhances productivity.

LEVER-FREE HEIGHT ADJUSTMENT
Arm moves smoothly from 6" below the worksurface to 1.5" above the worksurface, to accommodate reclining, sitting and standing postures. Ergonomists have long recommended that keyboarders vary their postures frequently throughout the day. Arm includes a built-in height indicator.

DIAL-UP PLATFORM ANGLE CONTROL
Turn the knob to set the correct wrist-neutral platform angle to match your reclining, sitting, and standing postures.

CONNECT IT INSIDE
Save time and money in installation. Leader Platforms can be installed on Leader Arms in seconds. Platform simply snaps into place securely, without any hardware or tools required.
