

OMERO™

MA 5000 FLAT PANEL MONITOR ARM

Completing Your Workspace

MA 5000 FLAT PANEL MONITOR ARM

Comes to you fully assembled.

Solid metal construction, smooth gas lift action, attractive silver finish.

Monitor attachment is fast and easy.

Remove the Connect-IT mount. Attach the mount to the monitor. Connect-IT again and you're done.

Cable management is a snap.

Cable Wings fold out to hold wires and then snap back into place.

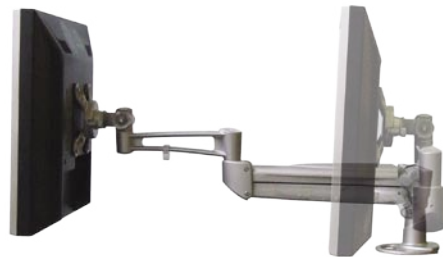

Save money in installation. One person can do a complete set-up in minutes.

Boost your uptime. Connect-IT mounts let you easily re-deploy monitors from one MA 5000 arm to another.

LCD flat panel monitors are experiencing a huge growth in popularity. Their thin, lightweight design has enabled offices to re-configure their working spaces. Better space utilization and employee ergonomic comfort are now within reach.

MA 5000 Omero flat panel monitor arms can improve space utilization and employee ergonomic comfort. The arm can fold back to occupy just 4" of desk space. In a single motion, the user can effortlessly adjust the monitor arm height, focal distance, and lateral position.

Extend and fold back

Tilt and swivel

Raise and lower

360° rotation
