White Tenor™ Arm with White Phenolic Mini Keyboard tray

This arm and tray combination has been specifically designed to work on benching systems or height adjustable tables where traditional track mounted products would not normally work. The attractive white finish provides contemporary styling to complement the decor in today's modern office environments.

Features	Benefits
Trackless Tenor™ arm with Lift-n-Lock™ height adjustment and dial tilt soft touch knob for tray tilt adjustment	Intuitive knob-less/lever-less Lift-n-Lock™ for easy height adjustment with soft touch tilt knob to adjust for a personal fit
Height adjustment of 5.73" with 1" to 6.73" below the under desk surface	Exceeds HFES & BIFMA standards and guidelines for 5th to 95th percentile seated users
Trackless design directly mounts to the underside of the work surface	Allows for usage on benching systems or height adjustable tables where conventional track mount arms would not work
Anti-skid strips on keyboard tray	Strips prevent keyboard slippage
White phenolic keyboard tray measuring 9.4" deep x 19.4" wide	1/4" thick tray provides optimal under desk clearance with an attractive modern styling with ample room for keyboard and mouse
Plug-in gel-feel foam palm rest	Offers gentle support, easy-to-clean wrinkle finish and wear resistant material. Fully recyclable.
Comes with all mounting hardware for arm and tray installation	Easy assembly of arm to tray and simple attachment to desk using basic tools
Available with swivel only mouse surface or height adjustable mouse mechanism	Accommodates right- or left -hand mousing
